

As demand for REALTOR® professional expertise with Short Sale experience grows, the National Association of Realtors (NAR) offers the SFR certification to Realtors who want to help both Sellers and Buyers on how to successfully navigate the complicated Short Sale transactions.

According to a recent NAR survey, over 1/3 of all existing homes sold recently were either a short sale or a foreclosure. REALTORS who have earned the SFR certification know how to help Sellers, facing a hardship, on how to go through the complexities of short sale as well as helping Buyers pursue a short sale or foreclosure purchase opportunities.

Short sales and foreclosures are not for the faint of heart, so having a REALTOR® with the SFR designation will bring confidence and stability to an already stressful and delicate situation.
